

## "TIKKUN TOGETHER"

The Jewish Federation of Greater Hartford has organized January as "**Mitzvah Month**" when everyone including synagogues can make a difference by doing social action projects for the larger Greater Hartford community. The month of mitzvah is being held in conjunction with President Obama's "**United We Stand**" call. Beth Hillel is involved in four different projects (one in February) and are looking for participants or volunteers. The fourth project is on another page.

We also continuing our clothing drop-off in particular are looking for cold weather coats. We continue our food drive. Our bins near the sanctuary and chapel are near empty. Many people are hungry. Our prophet Isaiah said "share your bread with the hungry." Also remember to attend our "green" holiday— Tu b'shevat.

## Sixth Annual Shema Tour Monday January 18 9 am

*"Shema comes before V'avayta to teach us that you can not love unless you know how to listen."*

Beth Hillel Synagogue is joining with Temple Beth Hillel of South Windsor for a Social Action experiences day. You are invited Join us as we visit the places the needy go to get their needs met. We are going just to listen and to see. You will see our community in a whole new light. This is the sixth year Temple Beth Hillel is doing the program; we are glad they have included us. Note that reservations are **FIRST COME FIRST SERVE** for a bus that holds 55 passengers.

On Martin Luther King, Jr. Day we will meet at Temple Beth Hillel in South Windsor for a tour through Hartford through the eyes of the less fortunate.

## SHARING A MEAL AND A PROGRAM WITH CHILDREN AND THEIR FAMILIES AT CHARTER OAK CULTURAL CENTER

Thursday, January 28th  
3—6:30 PM (starting time is tentative)

Tikvoh Chadoshoh has invited Beth Hillel to share in this unusual opportunity to further a partnership with Charter Oak Cultural Center while helping to feed the hungry. Charter Oak runs a remarkable after-school arts program for the school children in its neighborhood.

This volunteer opportunity is unique in that it strengthens a suburban partnership with a remarkable non-profit and that it allows us to interact closely with the people we are volunteering for.

We don't know the details of the program nor how many volunteers we will need but if you think this might interest you, please let the office know at 860-242-5561 or email [lynn@bethhillelsynagogue.org](mailto:lynn@bethhillelsynagogue.org)

## LOAVES AND FISHES SOUP KITCHEN

Thursday, February 4th  
9:45 AM—12:45 PM

For many years we have been volunteering here in September. We had such an overwhelming response this past September that it was requested we do it another time during the year.

We do setup and serving of the meal and we need a total of 6 volunteers. If we have too many volunteers, preference will be given to people who have never participated before. We will carpool from the synagogue.

You will find it to be a very rewarding morning. RSVP to the office or email [lynn@bethhillelsynagogue.org](mailto:lynn@bethhillelsynagogue.org)
